

# For A Few Dollars More

Smokie

**D** **Em**  
Rich girl, she buys her dreams  
**G** **D**  
It's a rich world, behind the scenes  
**Em**  
Green eyes, they tell ist all  
**G** **A** **D**  
The more she takes, the harder they fall

**D** **Em**  
She ain't easy, she ain't tough  
**G** **D**  
She's had it good, she's had it rough  
**Em**  
And I guess it dont't come too much  
**G** **A** **D**  
But all she's got, she ain't got enough

Chorus:

**Em**  
And she cry just a little for a few dollars more  
**G** **D**  
She'll lie just a little like she's done it before  
**Em**  
She'll take it, she'll fake it, for a few dollars more  
**G** **A**  
She'll show you her heart, and then  
**G** **A**  
She'll show you the door  
**D** **Em**  
You know she'll die just a little for a few dollars more  
**G** **D**  
Even fly just a little like she's done it before  
**Em**  
She'll take it, she'll fake it, for a few dollars more  
**G** **A**  
She'll show you her heart, and then  
**G** **A** **D**  
She'll show you the door

**Em**  
Strange things can happen to you  
**G** **D**  
When you got so much, you got nothin' to do  
**Em**  
Nooow, what do 'ya know  
**G** **A** **D**  
How'd ya get there, and there's no where to go

**Em**  
So you wonder, just what you'll do  
**G** **D**  
She's never known love, but then she's never known you  
**Em**  
And it's true that those sad green eyes  
**G** **A** **D**  
Are so full of questions, are so full of lies (chorus 2x)
